

# The Hannes Schneider Meister Cup Race

Join us for this historic weekend...

The Hannes Schneider Meister Cup honors the founding father of ski instruction, Austrian Hannes Schneider, who brought his world-renowned skills to North Conway and Mt. Cranmore in 1939. Schneider introduced skiing fun and excitement to millions around the globe.

If you can ski around a few gates on intermediate terrain, you are invited to participate in the race...and win!

The Carroll Reed Cup will be awarded to the fastest team made up of snowsports industry personnel, family and associates. The trophy commemorates ski industry pioneer Carroll Reed.

Hannes Schneider was a mountain soldier in World War I, and the race pays tribute to America's mountain troops. The Color Guard and soldiers of the active duty 10th Mountain Division of Fort Drum, New York, and the Army Mountain Warfare School of Jericho, Vermont usually take part in this memorable event.

The EMS Randonee Night Tour is an up-and-down-mountain ski tour that evokes the ski ascents Hannes Schneider made in pre-ski lift St. Anton, while showcasing the best of modern alpine touring demo gear from EMS.

Your participation in this event helps fund the collection and conservation of our skiing heritage exhibited at the New England Ski Museum. Located at Cannon Mountain in Franconia Notch, NH, the non-profit museum offers an archive of skiing history with colorful exhibits, an extensive library, significant collections of ski-related artifacts, and a comprehensive website, [www.skimuseum.org](http://www.skimuseum.org). Admission to the museum is free of charge.

It's an unforgettable weekend of skiing, socializing and just plain FUN.
